

*Outdoor show*

**WIREDO**

WWW.LUMOCOMPANY.COM

*WireDo explores human senses, combining the techniques of tightwire walking and Shibari.*

Shibari is an ancient Japanese artform that involves tying oneself up with ropes. The piece is a collaboration of a freestanding wire and human bondage.

With her body, a tightwire and a physical composition that draws on the Japanese art of Shibari Hanna Moisala's WireDo, tells a gripping story of stepping out of one's comfort zone.
